

REACH DECLARATION

Polyester Thermal Lamination Film Type:

A+ School™ 1.5 and 3 mil Laminate

The above **Polyester Thermal Lamination Films** are designed for use in paper lamination for Book Covers, Posters, Education Items, Driving Licenses etc, and can also be used for food packaging applications. All above products are branded as **A+ School**.

A+ School film products are articles under “REACH” REGULATION (EC) No. 1907/2006 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL and do not require any pre registration under REACH.

We confirm that the **A+ School** products identified in the list above and supplied since the first shipment in its entirety complies with the restrictions of REACH.

- We declare that none of the 197 Substances of Very High Concern (SVHC) on the REACH Candidate List, listed below, exist in a concentration above the 0.1% by weight allowable limit. As published 16th January 2019.
- We declare that none of the 22 Substances in the authorization list or any of the Restricted substances of Annex XVII are present at any detectable concentration.
- We further declare that comprehensive documentation and/or test reports from our suppliers will be made available upon request to substantiate these claims.

Communication down the supply chain (under Articles 32 and 33 of the REACH regulation) regarding substances present in A+ School film products is not required. We do not expect that the status of our products will change as the REACH regulation is phased in and substances are registered. But in the unlikely case that the status was to change, we will update our customers who purchased the affected product.

A+ School film products are not dangerous. The required format of “safety data sheets” in the EU under REACH is designed for communicating chemical dangers—which are not posed by our products—and the same format is not well suited for physical objects/articles like A+ School film products. Our existing Safety Data Sheets (SDS) have well defined the requirements of safe handling and storage etc and the same can be referred.
