

CERTIFICATE FOR COMPONENT / INGREDIENT: ECOELEMENT™ CLS (FILM ONLY)

THIS IS TO CERTIFY that the following Items have been found to comply with the specifications established in the American Society for Testing and Materials standard ASTM D6400 and/or D6868 in accordance with the terms and conditions of the "International Biodegradable Products Institute, Inc. Licensing & Certification Program for Compostable Products":

Cellulose acetate based plasticized films manufactured by our vendor and sold as EcoElement™ CLS (Film only).

as further described in the application and related information submitted to the Biodegradable Products Institute by our vendor.

This approval is for a Component/Ingredient only and cannot be used for claims in a finished product. Manufacturers and converters using these items to manufacturer other products must seek a separate International Biodegradable Products Institute, Inc. certification in order to use the International Biodegradable Products Institute, Inc. Certification Marks or claim such certification.

This Certificate authorizes the Licensee to use the Certification Program Logo depicted below in relation to such items, subject to all conditions and terms of the Program Rules and the License Agreement between the Biodegradable Products Institute and the Licensee.

Items on this Certificate:

The following item SKUs are certified under this document.

Brand	Manufacturer SKU	Title
EcoElement™ CLS (Film Only)	Classified	Cellulose acetate based plasticized films

The licensee shall inform BPI immediately for any new items or discontinued items. These items were certified under product review 20200219-01 and must be recertified by the BPI on or before April 30, 2023.

COMPOSTABLE
IN INDUSTRIAL FACILITIES
Check locally, as these do not exist in many communities. **Not suitable for backyard composting.**
CERT # 891032
