

# KARESS® PRINTABLE

## SPECIALTY THERMAL OVERLAMINATE FILM

**LuxeFilms® Karess® Printable** is the most popular multi-sensual printable overlaminate, adding a dynamic tactile dimension to the allure of print. It feels as delicate as a rose petal, and as luscious as silk. Durable, scuff-resistant and ultra-matte, this laminate will protect and enhance premium prints and packaging products, giving them an expensive and luxurious feel. **Karess® Printable** provides a vivid color clarity surpassing that of any standard matte laminating film. The surface of this film is printable. **Karess® Printable** is the only HP® Indigo certified laminate that can be printed digitally. Excellent for spot foil application as it allows digital ink/toner to be applied which in turn over Sleeking™ can then be applied.

### KEY BENEFITS

- Superb Color Tonality
- Excellent Color Retention
